

## SUNNY DAY

Thanks for the welcome you gave us, it has been a great time now we must part  
We hate leaving you all friends, please don't forget, you're part of our hearts  
It's time to drive our van friends, where-ever we can friends, that's our life  
Let's give each a hug and a farewell kiss ... goodbye, we promise you this  
We'll meet again... don't know where ....don't know when  
But I know we'll meet again some sunny day.....

Keep smiling thro' just like you always do  
Till the blue sky drives the dark clouds far away .....

So will you please say hello, to the folks that I know.. tell them I won't be long  
They'll be happy to know.. that as you saw me go, I was singing this song  
We'll meet again... don't know where.... don't know when  
But I know we'll meet again some sunny day.....

Keep smiling thro' just like you always do  
Till the blue sky drives the dark clouds far away.....

So will you please say hello, to the folks that I know...tell them I won't be long  
They'll be happy to know.. that as you saw me go.. I was singing this song  
We'll meet again,... don't know where,..... don't know when...  
But I know we'll meet again some sunny day.....

Keep smiling thro' ... just like you.... always do...  
Till the blue sky drives the dark clouds far away.....  
We'll meet again don't know where don't know when  
But I know we'll meet again some sunny day.....

We'll meet again.... don't know where .....don't know when  
But I know we'll meet again some ...  
But I know we'll meet again some ...  
But I now we'll meet again some....

SUNNY, SUNNY, SUNNY DAY
